Book No. 2—Ten Color Supplements, naturalistic. Twenty black and white designs. Articles by prominent naturalistic painters on several kinds of roses and other flowers.

Book No. 3—Ten Color Supplements, figures and landscapes. Thirty black and white illustrations. Articles by prominent figure painters on figure painting and studies in flesh painting, by prominent china decorators on china firing.

Book No. 4—Eleven Color Supplements. Thirty-eight black and white illustrations. Articles on Conventional Decoration, Gold and Silver, Etching, Glass Decoration, Raised Paste, Enamels, Mending china.

*Each Class Room Book only \$2.25
Postpaid in the U. S.*

Few people realize the value of these books which could not be reprinted now at three or four times the price.

It will soon be impossible to furnish them with a complete set of color supplements, as several of the color studies used in them are out of print and cannot be reprinted, except at a prohibitive cost. Even now we may have to use substitutes for some of the color prints.
